Watch with the Business Operations, Procurement, and Inventory learning outcome in mind; take notes on an idea to test locally.

### **Guided learning activity**

Submit and present the Business Operations, Procurement, and Inventory capstone evidence.

**Evidence to save:** SOP and inventory dashboard.

### **Reflect and connect**

In 3–5 sentences, explain how this week's concept could improve a real organisation, community service, workplace, or learner project in Liberia or your local context. Identify one assumption, one risk, and one action you would test next.
