Watch with the Digital Literacy and Productivity Tools learning outcome in mind; take notes on an idea to test locally.

Guided learning activity

Complete a guided build, configure, or analyse activity using a Liberian or regional case study.

Evidence to save: Productivity portfolio.

Reflect and connect

In 3–5 sentences, explain how this week’s concept could improve a real organisation, community service, workplace, or learner project in Liberia or your local context. Identify one assumption, one risk, and one action you would test next.
