Watch with the IT and Technology in Tourism: Digital Tour Operations learning outcome in mind; take notes on an idea to test locally.

**Guided learning activity**

Complete a guided shared problem and sector context activity using a Liberian or regional case study.

**Evidence to save:** Integrated capstone.

**Reflect and connect**

In 3–5 sentences, explain how this week's concept could improve a real organisation, community service, workplace, or learner project in Liberia or your local context. Identify one assumption, one risk, and one action you would test next.
