

IT in Hospitality: Property Systems and Guest Experience

XDP-003 · Week 3 of 8 · Interdisciplinary

THIS WEEK'S FOCUS

Apply guest-data protection principles.

STUDY LOAD

6 hours · Read · Watch · Apply

ACADEMIC STUDY CONNECTION

Apply this resource to IT in Hospitality: Property Systems and Guest Experience: Cross-department methods. Use it to deepen the week's target outcome, "Apply guest-data protection principles."

Lesson pathway

01 · Read

Build the concept using the attributed open resource below.

02 · Watch

Use the linked university or professor lesson as a second explanation.

03 · Apply

Create evidence from the guided activity and reflection prompt.

Open reading or reference

University of Central Florida Libraries · University OER guide

[Hospitality and tourism open educational resources](#)

Read selectively for this week's cross-department methods work. Licence varies by title; verify on source page

University or professor video

Cornell University eCornell · Sustainable Tourism Destination Management

[Open video lesson or university channel](#)

Watch with the IT in Hospitality: Property Systems and Guest Experience learning outcome in mind; take notes on an idea to test locally.

Guided learning activity

Complete a guided cross-department methods activity using a Liberian or regional case study.

Evidence to save: Integrated capstone.

Reflect and connect

In 3–5 sentences, explain how this week's concept could improve a real organisation, community service, workplace, or learner project in Liberia or your local context. Identify one assumption, one risk, and one action you would test next.

Source note: GentsAcademy created this original study guide and uses an original image representing young Liberian learners. External resources remain owned by their respective providers and should be used according to the licence or access terms stated on the source page.
